I have two decades of experience as a top-producing real estate agent on Kauai, where I've lived since 2004. I specialize in residential, relocation, and resort property sales in Poipu Beach, Lawai, Omao, Kalaheo and Lihue, on the island's South Side. Over the course of my career, I'm proud to have earned accolades and designations, including being recognized as a top performer by *Hawaii Business Magazine*.

But what really drives me is helping my clients with one of the most significant events in their lives. There is nothing quite as satisfying as helping clients achieve their financial goals or seeing their eyes light up when the right property comes along.

I value my clients and I pride myself on active listening to ensure we are reaching your goals—whether you're listing your Kauai property or searching for your ideal island home. As my client, you can expect that I'll always prioritize your needs first and foremost.
