REALTOR Broker, RB-21210, GRI, e-PRO®

**K**aty Foxwell was raised in Honolulu, Hawaii. Originally from London, England, she offers years of remarkable customer care and service experience. As the Marketing Executive for P&O Cruises in the UK, she ran a distinguished loyalty program for 26,000 passengers for close to 12 years.

Upon her return to Hawaii in 1997, Katy chose Maui as her new home. Katy spent an impressive nearly 10-year career in hospitality with Four Seasons Maui achieving the industry peak as a member of Les Clefs d'Or followed by 3 years as Club Concierge on the Club Level.

Katy's full-time profession in real estate began in 2007 in Wailea where her knowledge and experience in marketing paired with white-glove client care reflects intrinsically in her real estate practice.

She writes, "My service commitment comes with Aloha! The alliance I develop with my clients is long-term relationship based. At some point in life you may decide that living your best life means living it in Maui, or a good share of it at least, as it did for me when I left England and returned to Hawaii in 1997. As a homeowner and investor in South Maui for over 27 years, I appreciate first-hand the detailed journey of Maui real estate.

"I invite you to share your Maui real estate dream

with me and together we can make a plan. You can count on me to be available for you every step of the way. Buying from afar? It can be done! I bought my first Maui condo while I was still living in London. If you can't be here, I am your eyes and ears for your real estate needs."

New adventures ahead....

"If you happen to be considering a big life change, buying or selling your Maui home, I'd be honored to be a part of your journey.

"I am dedicated to service and it comes with Aloha!"

*"Katy was there for me through the journey of a few years buying my dream home. I love that she always picks up the phone and is quick to respond. She kept in touch and on top of every aspect of my purchase. Katy has helped me with multiple real estate transactions over the years in Wailea and Kula. I trust in her as my Maui Realtor because I know she works for my best interest with total dedication and integrity. I recommend her for her knowledge of Maui real estate, professionalism and because she's always accessible."*
