

Cory Takata

Partner, RB-22857

“I truly believe that in this career, those who put their client’s needs first, protect their client’s interest and act as an Advisor will have clients for life. I continue to build my business on this philosophy and could not be where I am today without the unwavering support and trust of family, friends, clients, colleagues and mentors.

Born and raised here on Oahu, Cory’s parents, friends, and community instilled in him the importance of hard work, dedication, and creating life-long relationships. Cory attended Roosevelt High School and continued his education at the University of Hawaii at Manoa, where he earned his Bachelor’s Degree in Social Science.

With the unwavering support and mentorship from Partners at Locations LLC, Cory was named Partner in 2022. Throughout his career, his various accomplishments included becoming an Associate Partner in 2021 before becoming full Partner in 2022. He also is a recipient of the Locations Client Service Award Recipient for 2016-2023. In addition to these prestigious honors, Cory has also been named to the exclusive Locations Platinum Society as well as Honolulu Magazine’s Best in Real Estate in 2017-2023.

Within the community, Cory is also an active Board Member for Abilities Unlimited.

Despite all of these accomplishments, Cory admits that one of the unforeseen perks of this career has been the fact that he’s been able to turn clients into lifelong friends. None of this would be possible without the support of family, friends, and loyal clients.

During his spare time, Cory enjoys golfing, going to the beach, hiking, and spending time with friends and family.

“Real Estate is more than just sales, it’s about creating and sustaining life-long relationships.”

“If you are in need of a real estate expert, Cory Takata is THE EXPERT you need for your real estate transaction. Real estate, especially in Hawaii, may be the biggest asset a person has to make decisions on - having Cory to guide in that process was a tremendous relief. Cory has the experience and knowledge to navigate through transactions as smoothly as possible. He not only assisted before and during the successful sale of our home; he checks in after the sale to see if there is anything else we may need. My husband and I HIGHLY RECOMMEND Cory Takata for your real estate needs.” -LEILANI R.
